PALM BEACH GARDENS, FLORIDA (August 4, 1999) -- Jeffrey Burnett, President and Chief Executive Officer of Labor Finders International, Inc., announced that the company was having a year long celebration of its twenty-fifth anniversary commencing next month. Mr. Burnett stated "Labor Finders opened its doors in September, 1975 with an office in West Palm Beach, Florida and has grown to over 130 branches in 22 states today. By the end of our twenty-fifth year, we will have over 140 locations and sales of over \$200 million."

Mr. Robert Gallagher, Vice-President of Marketing and Franchise Development, stated, "As part of our twenty-fifth year celebration, we have developed an anniversary logo, which will be incorporated into specialty giveaways for our clients and shirts for branch office personnel. Our web site at www.laborfinders.com is being updated as part of the celebration, and production is beginning on a twenty-fifth anniversary brochure, which will include photos of personnel at several Labor Finders offices."
